Re: Notice of Data Breach

Dear Attorney General Frey,

Kennedys CMK LLP (“Kennedys”) represents 1<sup>st</sup> MidAmerica Credit Union (“MACU”), a credit union headquartered in Bethalto, IL. We write to provide notice to your office of a data privacy incident that involved the personal information of seven (7) Maine residents. This notice may be supplemented with new information learned after submission.

On or about August 14, 2025, MACU was informed by Marquis Software Solutions (“Marquis”) - a vendor of MACU - that it had identified suspicious activity on its network and determined that the activity was the result of a cybersecurity incident. It launched an investigation and determined that an unauthorized third party accessed Marquis’ computing environment and may have accessed and acquired certain files from its systems. On October 27, 2025, Marquis provided MACU with a list of MACU data which may have been accessed. On November 24, 2025, we determined that the data of seven (7) Maine residents whose personal information was controlled by MACU was included in those certain files.

The personal information included first and last names and Social Security Numbers. Marquis, in coordination with Epiq, handled the process to print and mail notification letters to the involved individuals. Notice to these affected individuals was mailed on January 22, 2026, but we were not informed of the mailing by Epiq until January 30, 2026. MACU is offering 24 months of single bureau credit monitoring, fraud consultation, and identity theft

## STEPS YOU CAN TAKE TO HELP PROTECT INFORMATION

### *Monitor Your Accounts*

We encourage you to remain vigilant against incidents of identity theft and fraud by reviewing your credit reports/account statements and explanation of benefits forms for suspicious activity and to detect errors. Under U.S. law, you are entitled to one free credit report annually from each of the three major credit reporting bureaus, TransUnion, Experian, and Equifax. To order your free credit report, visit [www.annualcreditreport.com](http://www.annualcreditreport.com) or call 1-877-322-8228. Once you receive your credit report, review it for discrepancies and identify any accounts you did not open or inquiries from creditors that you did not authorize. If you have questions or notice incorrect information, contact the credit reporting bureau.

You have the right to place an initial or extended “fraud alert” on a credit file at no cost. An initial fraud alert is a one-year alert that is placed on a consumer’s credit file. Upon seeing a fraud alert, a business is required to take steps to verify the consumer’s identity before extending new credit. If you are a victim of identity theft, you are entitled to an extended fraud alert lasting seven years. Should you wish to place a fraud alert, please contact any of the three credit reporting bureaus listed below.

As an alternative to a fraud alert, you have the right to place a “credit freeze” on a credit report, which will prohibit a credit bureau from releasing information in the credit report without your express authorization. The credit freeze is designed to prevent credit, loans, and services from being approved in your name without your consent. However, you should be aware that using a credit freeze may delay, interfere with, or prohibit the timely approval of any subsequent request or application you make regarding a new loan, credit, mortgage, or any other account involving the extension of credit. Pursuant to federal law, you cannot be charged to place or lift a credit freeze on your credit report. To request a credit freeze, you will need to provide the following information:

1. Full name (including middle initial as well as Jr., Sr., III, etc.);
2. Social Security number;
3. Date of birth;
4. Address for the prior two to five years;
5. Proof of current address, such as a current utility or telephone bill;
6. A legible photocopy of a government-issued identification card (e.g., state driver’s license or identification card); and
7. A copy of either the police report, investigative report, or complaint to a law enforcement agency concerning identity theft, if you are a victim of identity theft.

Should you wish to place a fraud alert or credit freeze, please contact the three major credit reporting bureaus listed below:

## **Additional Information**

You can further educate yourself regarding identity theft, fraud alerts, credit freezes, and the steps you can take to protect your personal information by contacting the credit reporting bureaus, the Federal Trade Commission (FTC), or the Massachusetts Attorney General. The FTC also encourages those who discover that their information has been misused to file a complaint with them. The FTC may be reached at 600 Pennsylvania Ave. NW, Washington, D.C. 20580; [www.identitytheft.gov](http://www.identitytheft.gov); 1-877-ID-THEFT (1-877-438-4338); and TTY: 1-866-653-4261.

You have the right to file a police report if you ever experience identity theft or fraud. Please note that in order to file a report with law enforcement for identity theft, you will likely need to provide some proof that you have been a victim. Instances of known or suspected identity theft should also be reported to law enforcement, the Massachusetts Attorney General, and the FTC. This notice has not been delayed by law enforcement.
