What Happened. On March 23, 2026, we became aware of a network disruption and promptly initiated an investigation of the activity. We engaged independent cybersecurity experts to assist with the process. As a result of the investigation, we determined that certain files were accessed and acquired without authorization on March 19, 2026. We then undertook a comprehensive review of those files and on May 13, 2026, confirmed that your personal information was contained within the potentially affected data which is the reason for this notification. Please note that we do not have any evidence of misuse, or attempted misuse, of any potentially impacted information.

What Information Was Involved. The information may have included your first and last name as well as: Social Security number, driver’s license number, and passport number.

What We Are Doing. As soon as we discovered this incident, we took the steps described above and implemented measures to enhance security and minimize the risk of a similar incident occurring in the future. We also notified the Federal Bureau of Investigation and will cooperate with any resulting investigation. We are also offering you complimentary identity protection services, at no cost to you, through IDX, a leader in consumer identity protection. These services include <<12/24>> months of credit monitoring¹, dark web monitoring, a \$1 million identity fraud loss reimbursement policy, and fully managed identity theft recovery services. Steps You Can Take to Help Protect Your Personal Information

Review Your Account Statements and Notify Law Enforcement of Suspicious Activity: As a precautionary measure, we recommend that you remain vigilant by reviewing your account statements and credit reports closely. If you detect any suspicious activity on an account, you should promptly notify the financial institution or company with which the account is maintained. You also should promptly report any fraudulent activity or any suspected incidence of identity theft to proper law enforcement authorities, your state attorney general, and/or the Federal Trade Commission (the "FTC").

Copy of Credit Report: You may obtain a free copy of your credit report from each of the three major credit reporting agencies once every 12 months by visiting www.annualcreditreport.com, calling toll-free 1-877-322-8228, or by completing an Annual Credit Report Request Form and mailing it to Annual Credit Report Request Service, P.O. Box 105281, Atlanta, GA 30348. You also can contact one of the following three national credit reporting agencies:

Equifax

P.O. Box 105851
Atlanta, GA 30348
1-800-525-6285
www.equifax.com

Experian

P.O. Box 9532
Allen, TX 75013
1-888-397-3742
www.experian.com

TransUnion

P.O. Box 1000
Chester, PA 19016
1-800-916-8800
www.transunion.com

Fraud Alert: You may want to consider placing a fraud alert on your credit report. An initial fraud alert is free and will stay on your credit file for at least one year. The alert informs creditors of possible fraudulent activity within your report and requests that the creditor contact you prior to establishing any accounts in your name. To place a fraud alert on your credit report, contact any of the three credit reporting agencies identified above. Additional information is available at www.annualcreditreport.com.

Security Freeze: You have the right to put a security freeze on your credit file for up to one year at no cost. This will prevent new credit from being opened in your name without the use of a PIN number that is issued to you when you initiate the freeze. A security freeze is designed to prevent potential creditors from accessing your credit report without your consent. As a result, using a security freeze may interfere with or delay your ability to obtain credit. You must separately place a security freeze on your credit file with each credit reporting agency. In order to place a security freeze, you may be required to provide the consumer reporting agency with information that identifies you including your full name, Social Security number, date of birth, current and previous addresses, a copy of your state-issued identification card, and a recent utility bill, bank statement or insurance statement.

Additional Free Resources: You can obtain information from the consumer reporting agencies, the FTC, or from your respective state Attorney General about fraud alerts, security freezes, and steps you can take toward preventing identity theft. You may report suspected identity theft to local law enforcement, including to the FTC or to the Attorney General in your state. RCI is located at 10737 Cutten Road Houston, TX 77066 and be reached at 281.397.6730.
